### Wisconsin Member Firm Provides Valuable Resources for Client's India-Specific Patent Inquiries

Michael Best & Friedrich LLP, Lex Mundi's U.S. member firm for Wisconsin, represents a multi-national corporation that makes, distributes, and sells a wide variety of products including air compressors, air tools, skids, steer loaders, golf carts, refrigeration equipment for food retailing and trucks, locks, and security devices in connection with intellectual property matters around the world.

The client, who currently files patent applications in numerous countries, had been considering whether or not to expand its patent application filing in the Asia/Pacific region, especially India. Through the Lex Mundi membership, Michael Best & Friedrich was able to provide the resources and expertise necessary to better answer the client's jurisdictional-specific questions.

On the client's behalf, Michael Best & Friedrich contacted Amarchand & Mangaldas & Suresh A. Shroff & Co., Lex Mundi's member firm for India. Inquiries were then made to the Indian member firm regarding the client's needs, the merits for filing patent applications in India, and any challenges to the enforcement of patent rights in India.
